### **Driving Directions from Rental Car Facilities**

Come out of Memphis Airport Car Rental Facilities turn **Right (West)** onto Democrat Rd. travel approx.  $\frac{3}{4}$  mile to Airways Blvd., turn **Left (South)** on to Airways. Travel approx. 7 1/2 miles to Goodman Rd. (Hwy 302), turn **Right (West)** onto Goodman. Stay on this road all the way (approx. 10 miles) through part of Southaven, MS, through Horn Lake, MS and to Walls, MS, which is at the end of Hwy 302 (Goodman Rd.). Hwy 302 dead-ends into **Old** Hwy 61, just after going *over top* of the newer portion of Highway 61. Turn **Left (South)**, onto Old Hwy 61. Go straight for approx. a half mile into Walls, MS. Turn **Right, (West)** onto Second St. This is the road almost directly across from the **Walls City Hall and Police Dept.** There normally are several Police Squad cars sitting in front of the building. Go to the end of this short road (1 block) and Turn **Right (North) on East Railroad Ave.** That road will take you along the railroad tracks. Follow the road up and over the railroad tracks. **Go straight** (stay on road with Yellow dividing line) After going over the tracks, Mid-South Institute is approx. 4 miles. Stay on this road (Old Hwy 61) as it winds through the farmland. After a series of curves in the road, you will curve left and be heading South. You will see on the right side (West) of the road two old Barns. Immediately following is a 90-degree right-hand turn in the road, with a right arrow sign  $\rightarrow\rightarrow\rightarrow$  pointing to that turn. **DO NOT Turn, Go straight**, onto the smaller paved road (This is Blythe Rd.) We are about 400 yards down the road from that arrow turn sign. You will see 2 Stone & Cedar houses (one with wooden fencing) on the left side (East) of the road and the Red brick (Range House) with a flagpole on the other side. You cannot see any of the ranges from the road. They are located behind the Range house and are not visible from the street. This is where you are to go for class unless you are lodging with us. The only place you'll see the address #5582 will be on the mailbox that sits at the end of the driveway of the Range House. There are NO other addresses or signs indicating that you are at Mid-South Institute of Self-Defense Shooting.

On-site Range Master/Facility Manager: **Ross Sanders** Pager: (901) 226-8176

Please page Ross if you need further assistance with the directions.
