Driving Directions

In Mississippi, South of Memphis, and driving on Interstate 55 (going either North or South) exit at the Horn Lake Exit #289. Take Hwy 302 (Goodman Rd.) West. Around that exit, you'll see The Fairfield Inn, Home Depot, Cracker Barrel Rest., and The Drury Inn, just to name a few businesses. Take Hwy 302 West (approximately 10 miles), you'll be going through part of Southaven, MS and through Horn Lake, MS to Walls, MS, which is at the end of Hwy 302 (Goodman Rd.). Hwy 302 dead-ends into Old Hwy 61, just after going over the 4-Lane portion of Highway 61. **Turn Left** (South), onto Old Hwy 61. Go straight (South) for approx. 1/2 mile. **Turn Right**, (West) onto Second St. This road is almost directly across from the **Walls City and Police Dept.** There are normally several Police Squad cars sitting in front of this building. Go to the end of this short road (1 block) and **Turn Right** (North) on **East Railroad Ave.** That road will take you along the railroad tracks. Follow the road up and over the railroad tracks. **Go straight** (the road curves after going over the tracks, but stay on the road with the Yellow dividing line) After going over the tracks, Mid-South Institute is approx. 4 miles. Stay on this road (Old Hwy 61) as it winds through the farmland. After a series of curves in the road, you will curve left and be heading South. You will see on the right side (West) of the road two old Barns. Immediately after that, there is a 90-degree Right-hand turn in the road, with a right arrow turn sign →→→→→ pointing to that turn. **DO NOT TURN. Go straight**, onto the smaller paved road, this is Blythe Rd.

We are about 400 yards down the road from the arrow sign and 90-degree turn. You are at Mid-South Institute when you see 2 stone & cedar houses (one with stone gate posts and wood fencing) on the East side of the road and the Red brick (Range House) with flagpole on the West side. The Office is located in the house on the East side of Blythe Rd. with the stone gated entrance and wood fencing. You cannot see any of the ranges from the road. They are behind the Range house and are not visible from the road. Go to the Red Brick house with white columns and flagpole. This is where you are to report for class **unless** you are coming in the night before and staying with us. The only place you'll see the address #5582 will be on the mailbox that sits at the driveway entrance of the Range House. There are NO other addresses or signs indicating that you are at Mid-South Institute.
